—IN—

"Terror Trail"

If you want to see real mystery—feel real
thrills—be glued to your seat by real sus-
pense, follow "Terror Trail" with Eileen
Sedgwick, the daring Secret Service
woman who undertook to solve a great
crime only to find herself up against a
baffling problem, with terrible enemies at
every turn. DON'T MISS THIS TRE-
MENDOUS CHAPTER PLAY. IT'S A
LANDSLIDE OF ADVENTURE AND
THRILLS.

So This Is Arizona

A Sensational Triumph

Six thousand feet of film, each foot a ver-
itable mountain of interest, each scene
cramped with action, each chapter a cli-
max and a shower of gasps that almost
tells the story of "So This Is Arizona."
The play is from the story recently pub-
lished in the All-Story Argosy magazine
and which was said to be the greatest
western tale ever printed in any publica-
tion; and in picture form it is indeed ex-
ceptional.
